

A Caring Place

Parent Bulletin

May 2024

Dates to Remember: **May 6- May 10- Teacher Appreciation Week**
 May 27- School Closed Memorial Day

Please Mark your calendars with the above dates

Teacher Appreciation Week

Teacher Appreciation Week is May 6th to May 10th. Show the teachers your appreciation for all the hard work they do!!

Our Staff:

Infant Program- Miss Stephanie H. & Miss Annette

Toddler Program- Miss Ashley & Miss Izzy

Toddler Too Program- Miss Renee & Miss Alysha

Montessori 3-6 Program- Miss Liz, Miss Hillary, & Miss Sarah

Children's Personal Belongings

All items brought to school must be clearly labeled. Footwear is not required. We encourage the children to have independence and along with that comes responsibility for their belongings. Please no costumes and dress up wear. These are not appropriate for school.

Child's Last Day

As a reminder if your child will be exiting the school, a notice of withdrawal form needs to be completed and returned to the office 30 days prior to your child's last day. You can request a copy of this form from the office. The last day for all non-returning students is July 26th.

Our Monthly Bulletins and Lunch Menus are available online at

Infant & Toddler News

Just a few reminders this month:

- Summer weather is approaching and we will be doing lots of water play. Please make sure your child has extra clothes in his or her cubby.
- Please remember to label ALL your child's belongings so nothing is lost or misplaced.
- Please take notice of any comments written on your child's Dojo or any posted announcements; important information is put there.

Lastly, we would like to wish all our mothers a very Happy Mother's Day!

Toddler Too

It's hard to believe how quickly the school year has gone by and summer is approaching. In April, the children had a wonderful time learning about farm animals and the foods that grow on the farm.

This month we will learn about one of the children's favorite topics - Zoo Animals. We will mainly focus on lions, giraffes, monkeys, elephants, and zebras. As always, we would appreciate any story books relating to our theme.

HAPPY MOTHER'S DAY!

Montessori 3-6 class

It's hard to believe it's already May. This month will conclude our journey around the world with the cold and isolated continent - ANTARCTICA. We will be learning about some of the different animals that can survive Antarctica's cold climate such as the Emperor Penguin and the Weddell Seal.

By learning about the different continents, we hope that the children have gained a better understanding and appreciation of the many different kinds of people and animals inhabiting the earth. We also hope they have learned that despite our differences we are all connected to the Earth, and it's up to all of us to take care of it.

Sadly, with the end of the school year nearing, it is also time to say Aloha to some of the children who are leaving for kindergarten. We will miss all of them and wish them success in their journey ahead.

HAPPY MOTHER'S DAY!
